### Notes Before You Begin

- Read through all of the instructions before beginning.
- All of the seam allowances are 1/4" unless otherwise noted.
- Press seam allowances open unless otherwise noted.
- Width of fabric (WOF) is equal to at least 42" wide.
- Right sides together has been abbreviated to RST.
- Remember to measure twice and cut once!

### Cutting Instructions

**From each of Fabrics O-R and CC-KK, cut:**

one 3" x WOF strip. Subcut:

a total of sixteen 3" x 8" rectangle for the corner blocks (one each from ten fabrics and two each from three fabrics)

Trim the remainder of the strip to 2-1/2" for subcutting the rectangles below

**From each of Fabrics A-KK, cut:**

one to two 2-1/2" x WOF strips. Subcut to yield a total of:

one hundred 2-1/2" x 10-1/2" rectangles for the blocks

eighty-two 2-1/2" x 5-1/2" rectangles for the borders

*Tip: You will cut 2-3 of the 10-1/2" rectangles from each fabric and 1-2 of the 5-1/2" rectangles from each fabric.*

**From the Binding Fabric, cut:**

six 2-1/2" x WOF strips

## Assemble the Blocks

*Tip: Refer to the cover sample for general color groupings, if you wish to replicate the look of the cover. Group the 2-1/2" x 10-1/2" strips in sets of five before sewing.*

**Step 1:** Using five of the 2-1/2" x 10-1/2" strips, sew together to make one 10-1/2" square. Repeat with all the strips to make twenty blocks.

**Step 2:** Cut these blocks in half diagonally, varying the direction of the diagonal to give variety when you piece them back together.

**Step 3:** Take any two triangles and sew together along the diagonal. Repeat with all the triangles to make twenty blocks. *Tip: Pin before sewing to prevent stretching along the bias edge.*

**Step 4:** Press the blocks and trim to 9-1/2" square.

## Make the Borders

**Step 5:** For the top and bottom borders sew two rows of eighteen 2-1/2" x 5-1/2" strips. For the left and right borders sew two rows of twenty-three 2-1/2" x 5-1/2" strips. For each border, sew the strips together along their longest side.

*Tip: Refer to the finished sample for general color placement for the left and right borders, if you wish for the colors to move from warm to cool.*

## Make the Corner Blocks

**Step 6:** Using the paper piecing templates and 3" strips make four corner blocks. Trim to 5-1/2" square.

## Assemble the Quilt

**Step 7:** Sew together the central blocks in five rows of four. This quilt center should measure 36-1/2" x 45-1/2".

**Step 8:** Trim the left and right border pieces to 45-1/2" in length, if necessary, pin in place and sew to the left and right edges.

**Step 9:** Trim the top and bottom border pieces to 36-1/2" in length, if necessary. Sew a corner block on each end, making sure the corner blocks point inward and down for the top border and inward and up for the bottom border.

**Step 10:** Sew these borders on to your quilt. Press.

Your quilt top is complete! Baste, quilt, bind and enjoy!
